

RULES & VEHICLE TECH

All participants/vehicles must conform to the following rules and technical qualifications prior to and during races. These rules and qualifications are intended to ensure the safety of participants and spectators throughout the event. This event is organized for the purpose of permitting amateur drag race enthusiasts a safe and enjoyable experience. Trophies and cash awards will be awarded to the class winners, but our main emphasis is on safety, camaraderie and fun. Please inspect and ensure you and your vehicle comply with all rules and regulations prior to race day.

THERE WILL BE NO EXCEPTIONS TO ANY OF THE RULES OR TECHNICAL DETAILS; NO REFUNDS WILL BE ISSUED FOR ANY REASON AFTER YOUR REGISTRATION HAS BEEN ACCEPTED.

ALL PARTICIPANTS: (A participant will also be considered anyone in the party accompanying participating racer.)

- May NOT consume any alcoholic beverages or narcotics prior to, during event or at any time while on the property of the event location.
- Must possess a valid driver's license. (Not required if not driving)
- Must have parent/guardian signature of consent to drive if under 18 years of age.
- Must read, acknowledge and sign release and waiver of liability form.
- Must wear specified safety equipment (helmet and seat belts)
- Must abide by all rules, regulations and decisions of organizers.

ALL RACE VEHICLES MUST HAVE:

- Safe tires with nuts on all wheel studs
- Belts, hoses, fuel lines, brake lines in satisfactory condition
- Coolant overflow reservoir
- Drive shaft safety loop if using slicks, (recommended with street slicks)
- Secure battery hold down (tarp straps NOT acceptable)
- Seat belts
- Fully functional brake system
- NO significant fluid leaks
- NO loose items inside vehicle during race (boom boxes, tools, parts, etc.)

OTHER RULES AND REGULATIONS:

- **New this year, cars running 7 seconds or faster in the 1/8 mile require a roll cage**
- ALL RACERS AND PIT CREW MUST ATTEND DRIVER MEETING BEFORE RACING
- If vehicle appears to have recently raced competitively at a sanctioned track; sanctioning body safety rules will apply
- All racers must return from a race down track at a reasonable speed in single file
- Place all refuse in supplied containers
- Must NOT dump any chemicals, oil, fuel, etc. on the ground or in pits
- No loud music in pit area
- If you run off the track during your pass, come to a complete stop on the grass, and wait for a track official, we will lead you back on the track. This is to avoid damaging our timing system.

- Have a great day of racing!!
